

## GLASGOW GLENMORE CLUB LIBRARY LIST

Here is an updated library list. A few of the older books have been withdrawn and a new numbering system is being introduced.

G – Guide books  
I – Informative books  
N – Narrative books

Hopefully these new categories will help you to select an appropriate book - so - when the sun goes down over the yarDarm (usually quite early in winter time), why not settle down to an evening's reading (GGC library, of course) and even a wee drink to remind you of the new categories.
